Samrat Prithviraj Chauhan Government College, Ajmer

Economic Administration and Financial Management
One Day National Seminar

ON

Intellectual Property Rights and Research Ethics

2022-2023

One day National seminar was organised by department of EAFM, SPC Government College Ajmer, on "Intellectual property rights and research ethics" 20 January 2023. The seminar was organised for college faculty members and students of Commerce (UG & PG). The seminar was inaugurated by Patron and principle of college, Dr Qaid Ali Khan and convener & HOD of Dept, Dr Mahesh Chand Meena.

The key note speaker of the National seminar was Dr. Jitendra Sharma, sir at present, is the Assistant controller of patents and Designs Ministry of Commerce and industry Government of India. As we all know, today the youth are very creative and they want to explore each and small things of Universe. But they are unaware that every small or large thing created for the very first time has to be registered. Intellectual property rights (IPR) have been defined as ideas, inventions, and creative expressions based on which there is a public willingness to bestow the status of property. IPR provide certain exclusive rights to the inventors or creators of that property, in order to enable them to reap commercial benefits from their creative efforts or reputation. There are several types of intellectual property protection like patent, copyright, trademark, etc. Patent is recognition for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial application. IPR is prerequisite for better identification, planning, commercialization, rendering, and thereby protection of invention or creativity. Each industry should evolve its own IPR policies, management style, strategies, and so on depending on its area of specialty. Pharmaceutical industry currently has an evolving IPR strategy requiring a better focus and approach in the coming era.

Apart from that, they didn't know the process and formalities to be done for that. So through this seminar faculties and students were award of it in the seminar more than 20 research papers were presented by faculty members and research scholar. At the end, the organising secretary, Dr Surendra Yadav gave vote of thanks in which special thanks was given to Professor Qaid Ali Khan principal and patron then thank you note was give to seminar coordinator Dr Perna Jain co-convenor Dr Archana Tiwari, organising secretary Dr Hanuman Sahai Kumawat and Dr Maya Agarwal for taking trouble to make the seminar a grand success.
